## SMALL GROUPS

### Leaders:

### Discussion questions for Week 10 of James (James 4:11-17)

1. Reread James 4:11–12: Speaking against or judging someone (evidently the same thing) are equated with speaking against or judging God's laws. In addition to talking about people, what other areas do we commonly pick and choose if/when we will obey scripture?

2. Reread James 4:13–16: What are some areas of your life where you make plans without really listening to or surrendering to God? Did you ever consider this "boasting in your arrogant schemes"? How can we better co-operate with God in submission to God?

3. Reread James 4:17: What is something you already know God is asking of you, but you've been putting off or avoiding?

**For information, contact Melissa Shaver [mshaver@southwest.org](mailto:mshaver@southwest.org) or (806-290-2222).**

The Hali Project Class is for adults with special needs to have a place designed for them that they can call their church home. Wednesday nights we focus on encouragement, Bible teaching, and prayer. If you know someone who would benefit from being part of our group, please send them our way.

If you are looking for a place to **serve** where you will be loved, appreciated, and leave feeling better than when you arrived, come visit us. The only real skill needed is your presence.
